SPECIAL RETREAT FEATURES

A **Prayer Experience** will be offered through the retreat as we Draw Near to God. You will definitely want to stop by the prayer room and engage together for the glory of God.

Mercy Market and Refugee Sewing Society by Envision creative products will be available for purchase during the retreat. The creative products are made by women around the world. Many of these women are being ministered to by Alliance International Workers. These ministries help to provide an honorable income source for destitute individuals and creates opportunities to bring the gospel into their lives.

Project Offering: STREET BOYS ~ Young boys are sent away from their families, homes, villages and sometimes countries as a way to honor "god" and to learn humility as they study in "schools" [half built homes where they all sleep together on dirt/cement floors] to learn the cultural religious beliefs. The boys [4-16 years old] spend a portion of the evening and early morning studying, but the majority of the day is spent on the streets begging for food and money to bring back to their teacher. Alliance IWs have weekly opportunities to minister to the physical and emotional needs of the boys, as well as sharing the Truth in the hopes that they will grow up and personally encounter the Truth. The retreat project offering will help our IWs share the Truth with these young lives!
